# 2<sup>ND</sup> ESMO SWISS PERSPECTIVES

Highlights for Swiss Oncologists  
Sorell Hotel Ador, Bern

FRIDAY SEPTEMBER 17<sup>th</sup>, 2021  
17:00-19:30

Dear colleagues,

After the very successful launch of the ESMO Swiss Perspectives in 2019, it is our pleasure to invite you to the second edition. This event is organized for Swiss oncologists and has the purpose of guiding the participants through the wealth of information presented at the ESMO congress and to promote exchanges amongst our community.

The format has slightly been adapted and the most promising studies or potentially practice-changing findings will be presented by experts-in-the-field. They will inform you about the most interesting topics presented by tumor type and allow you to quickly **get the essence of the ESMO** while making the most out of your time.

The ESMO Swiss Perspectives 2021 will be held on Friday September 17<sup>th</sup> at Sorell Hotel Ador, Laupenstrasse 15, 3001 Bern from 17:00 to 19:30.

**Please sign up for the event using the enclosed form.** You will receive confirmation of your registration by mail. After the symposium, all participants are kindly invited to join the speakers for an Apéro riche.

We are looking forward to welcoming you to the 2<sup>nd</sup> ESMO Swiss perspectives in Bern!

Warm regards,

Prof. Dr. med. Solange Peters

Prof. Dr. med. Roger von Moos

The symposium has been granted **2 credit points** by the **SSMO/SSOM/SGMO**.
